

# MONSTER MINI CUPCAKE HOLDERS

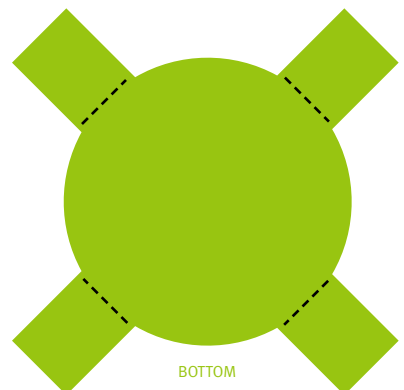

- 1 - Print on 8.5 x 11 card stock.
- 2 - Using scissors, cut out all 9 pieces.
- 3 - On the monster heads, cut on the two lines upward about the same height as your mini cupcake tins.
- 4 - Lay the bottom piece color side down, then fold each of the 4 tabs up.
- 5 - Stick a small piece of tape on each tab, making sure the sticky side is facing out (stick the tape to the unprinted side).
- 6 - Place a cupcake on the bottom piece. Press the taped tabs up to the sides of the cupcake, then wrap the arms piece around the cupcake.
- 7 - Tape the hands together where they meet. One hand will overlap the other.
- 8 - Stick the monster head in the cupcake.
