

To make the Teepee

1. Print both pages onto cardstock paper, color, and then cut out patterns.
2. Tape the two printed cut-out pieces together along the dotted yellow line.
3. Fold to make your teepee.
4. Turn the teepee upside down and fill with candy, or other snacks. Lastly, tape the bottom shut and share with your friends and family.

Cut this Long Side Edge, then tape to Long Side Fold

Cut this Yellow Dotted Edge, then tape it to the other Yellow Dotted Edge

Fold this flap up into the bottom of the teepee

Fold this flap up into the bottom of the teepee
