

Cute turkey table place holders that say 5 nice things about the person seated there!

**Step 1** – Print out this page on the heaviest paper your printer will handle.

**Step 2** – Color the feathers, the turkey’s body (and color in a beak), and the base. Write the guest’s name on the body, and something nice about them on each feather.

**Step 3** – Cut out all the shapes. Punch a hole in the body and in each feather, and use a metal paper fastener to attach the stack of feathers to the bird.

**Step 4** – Fold the base as shown above.
